PHILOSOPHY AND GOALS

The administration and management of the Leon County Detention Facility is based on the belief that security, safety and welfare of inmates is essential. Your safety, welfare and value as an individual are genuine concerns of the staff. For this reason, it is hoped that you will understand the necessity for security requirements, inmate rules and regulations and regimentation. We hope to promote a spirit of understanding, mutual respect and cooperation.

It is the goal of the Leon County Detention Facility to operate in compliance with all applicable statutes, standards, policies and procedures prescribed by the State of Florida, Florida Model Detention Facility Standards, Detention Facility Standard Operating Procedures and Leon County Sheriff's Office General Orders.

The purpose of this handbook is to make available to you, the rules and regulations you shall be held accountable for, to establish and define provisions to meet your needs and to ensure your safety and welfare while here.

FORWARD

Please read this handbook carefully. It explains what you can expect during your stay here and how you may receive assistance. You are responsible for knowing what is in this handbook and for following the rules and regulations outlined herein.

Our aim is to treat you the same way we would want to be treated if we were in your place. We would like you to keep a positive attitude and cooperate with our staff.

Being in a Detention Facility is inconvenient and regimented. Being in Detention Facility means you must do things by the routine set up for its operation. The Leon County Detention Facility is governed by Federal and State laws and your behavior must be lawful while you are here. Violations of facility rules may result in disciplinary action and or criminal charges in some cases. If you commit a crime while you are here, you will be prosecuted.

You must remember you are not the only person in this facility. There are a thousand or more other persons incarcerated here who the Sheriff's Office is also responsible for. The Leon County Detention Facility's staff is well trained and organized professionals, but we cannot treat each inmate as if he or she were the only one here. With your cooperation, our facility will operate more efficiently, which will result in our job being made easier and we will have more time to spend helping those with problems.

This handbook is easy to read however, if you have trouble understanding it or reading it, ask a staff member for assistance. Most questions about the day to day expectations while incarcerated here will be answered in the handbook. If you cannot find the answer, ask a staff member, as we are here to help.

SEXUAL ABUSE/HARASSMENT PREVENTION and INTERVENTION

The Leon County Sheriff's Office has adopted a zero tolerance policy toward inmate sexual abuse/harassment. While you are incarcerated, no one, neither inmate nor staff member, has the right to pressure you to engage in sexual acts. You do not have to tolerate sexual assault or pressure to engage in unwanted sexual behavior regardless of your age, size, race or ethnicity. Whether you are straight, gay, lesbian, or bisexual you have the right to be safe from unwanted advances and acts.

Confidentiality

Information concerning the identity of the inmate victim reporting the sexual abuse/harassment and the facts of the report itself shall be limited to those who have a need to know in order to make decisions concerning the inmate victim's welfare and for law enforcement investigative purposes.

What to do if you are victimized

Report the incident immediately to staff. Staff will immediately protect you from the assailant and will refer you for a medical exam. You do not have to name those involved; however, the more specific your information, the easier for staff to help you. You will receive protection whether or not you have identified your attacker or agreed to testify against them.

Even though you may want to clean up, it is important to see medical staff before you shower, wash, drink, eat change clothing or use the bathroom. Medical staff will examine you for injuries. They can also check for sexually transmitted diseases. They will also assist in providing you with counseling if you request it.

How to report an Incident

You can tell the Pod Officer, Chaplain, Programs Staff or any other Staff Member you trust. You may use a request slip or written letter. You can also use the phone in the pod to place a toll free call to the Rape Crisis Hotline by pressing *700 (1-888-956-7273) or *701 (1-800-962-2873).

Seeking Medical Help

As stated earlier, although it may be difficult, it is important that you do not shower after the incident. Showering may wash off hair body fluids that crucial evidence. Bring the clothes and underwear at the time of the incident with you to the medical exam. A medical professional will perform a medical examination to obtain samples or document the existence of physical evidence. The exam will be conducted privately and professionally.

Understanding the Investigative Process

Once reported, the Leon Sheriff's Office will conduct an investigation. The purpose of the investigation is to determine the nature and extent of the misconduct. You may be asked to give a statement. If criminal charges are brought, you may be asked to testify during the criminal proceedings.

Counseling Programs

You may seek counseling and/or advice from a Psychologist or Chaplain. Crisis counseling, coping skills, suicide prevention, and mental health counseling are all available to you. Most people need help to recover from the emotional effects of sexual assaults/harassment. If you have been the victim of sexual assault/harassment, recently or in the past, staff is available to counsel you.

Remember

- ▶ LCSO will investigate all reported incidents of sexual assault/harassment. If you are a victim, report it immediately.
- ▶ Staff will protect you from the assailant.
- ▶ Staff or inmates who engage in sexual abuse/harassment or battery of inmates will be investigated, and if found guilty, will be subject to a full range of criminal and administrative sanctions.
- ▶ Any sexual acts between inmates and staff (even when no objections are raised) are always illegal.

Avoiding Sexual Abuse

- ▶ Carry yourself in a confident manner at all times. Do not permit your emotions (fear/anxiety) to be obvious to others.
- ▶ Do not accept gifts or favors from others. Most come with strings attached to them.
- ▶ Do not accept an offer from another inmate to be your protector.
- ▶ Find a staff member with whom you feel comfortable to voice your concerns.
- ▶ BE alert. Do not use contraband substances such as drugs. These weaken your ability to stay alert and make good judgments.
- ▶ Be direct and firm if others ask you to do something you do not want to do. Do not give mixed messages to other inmates regarding your wishes for sexual activity.
- ▶ Choose your associates wisely. Look for people who are involved in positive activities like educational programs, self-help programs, or religious services.
- ▶ Trust your instincts. If you sense that a situation may be dangerous, it probably is. If you fear for your safety, report your concerns.

Sexual abuse is a serious crime. The Leon County Sheriff's Office will investigate all reported incidents of sexual abuse/harassment. If you are a victim, REPORT IT IMMEDIATELY. Staff will protect you from the aggressor.

ATTENTION FEMALE INMATES:

If you are pregnant or think you are pregnant; advise staff. It is the policy of the Leon County Sheriff's Office that pregnant inmates will not be restrained during labor, delivery, and postpartum recovery, unless the correctional officer assigned to security makes an individual determination that the inmate presents an extraordinary circumstance, in accordance with exceptions identified in F.S. 944.241

If the correctional officer assigned to security makes an individual determination that there is an extraordinary public safety risk, the officer may apply restraints, as limited in F.S. 944.241 Under no circumstances shall leg, ankle, or waist restraints be used on any pregnant inmate who is in labor or delivery.

CHAPLAINCY PROGRAM GUIDE

1. CHAPLAIN:

The Chaplain plans, implements, and directs the facilities religious programs, and is available to counsel, and offer guidance to officers and inmates in social, personal, and spiritual matters. All counseling is confidential.

Inmates desiring a meeting with the Chaplain should make their request in writing on the inmate request form. These one on one counseling sessions are for the more serious problems. Less serious issues and questions can be handled with the “Note from Prisoner Forms” in a timely manner. Except in an emergency, counseling will be done on Tuesdays or Thursdays and as available time permit.

2. GENERAL

- A. **RELIGIOUS SERVICES:** Scheduled services are held on each Sunday and Tuesday evenings from approximately 7:30 p.m. to 8:45 p.m. in the pods. These services are conducted by local pastors, religious leaders and qualified lay workers under the Chaplains supervision, and normally reflect a variety of

religious denominations. Some religions are not as evangelical as others and do not come to minister as much.

Preachers are instructed not to get so loud as to disturb those who are not participating. Officers can turn the volume down on the TV so both groups can hear. Communion, Baptisms and Marriages are not performed at the Detention Facility because of the average amount of time inmates are incarcerated at the facility. They are observed in DOC and can be practiced in an established congregation when the inmate is released from the Detention Facility.

Small groups can gather around one of the tables, while larger groups may use one of the **TV areas, the recreational area, or counseling room**. Each individual is responsible for returning his/her chair to the pod at the end of each service when the recreation or council room is used. **In the absence of the Chaplain, or volunteer leader, these areas may be used by inmates desiring to hold their own religious studies or prayer sessions to the extent they do not become unruly or conflict with normal Pod operation.** Each religious group should be considerate of the other and not keep the room for too long at a time.

Muslims are required to pray at designated times during the day and those desiring to meet for the early morning prayer will need to come out at the top of the hour prior to pray if they desire group prayer in the counsel room. A chart showing the designated times of prayer is furnished at the Pod Officer station or by request to the Chaplain.

Prayer rugs are permitted, however must be kept in the inmate's room and can only be brought out into the Pod while traveling directly to and from the counsel room for group prayer. Maximum size of prayer rugs is 24"x36"

- B. RELIGIOUS MATERIALS: Inmates are limited to eight (8) books.** The Chaplaincy and the County do not purchase religious materials. We only have what materials that are donated to pass out. The Chaplaincy stocks and passes out on request, religious material as it is donated by religious groups and individuals. Therefore, from time to time some material may be temporarily unavailable until new donations are received. **Religious garments must be approved in accordance with SOP 450.K8, jewelry and beads are not allowed.**

BIBLES, KORANS, & TORAHS: Bibles (when in stock) can be acquired by request. Korans and Torahs are available when donated to the Chaplaincy by outside Ministries and in stock. **Remember, we depend on donations and can only pass out what we have at the time the request is made. Books must be soft cover.** Inmates should fill out the "Note from Prisoner Form" to receive one of the above. **All religious material must be approved and mailed in from a legitimate (recognized) publisher or vendor such**

as a retail bookseller. Unauthorized materials will be returned to sender.

- C. **RELIGIOUS BOOKS & STUDIES:** All books and studies received as stock must be “soft cover” and **approved religious material.** Individuals can receive approved religious materials mailed in from the publisher or vendor such as a retail bookseller, or and organized Detention Facility or prison ministry. The Chaplain must approve all incoming religious material.

Acceptable materials are: Bibles, Torahs, & Korans as described in C above, study courses, and acceptable religious books (soft cover). No material may contain staples. Religious magazines are accepted when mailed in from the publisher or vendor such as a retail bookseller. **Materials that are considered inflammatory will not be allowed.**

A reasonable collection of books and studies is allowed, however, excess materials create a fire hazard. **Therefore, inmates are limited to eight (8) religious books each.** This is in addition to Bible study courses, pamphlets, or library books.

BIBLE CORRESPONDENCE COURSES: The Chaplaincy presently offers three correspondence courses furnished by outside ministries. The Chaplaincy distributes these studies, and issues the certificates on successful completion of the courses. Should the inmate leave the facility before completion of a course arrangements can usually be made to finish the course in progress. These courses are extremely beneficial in learning the Bible and promoting spiritual growth in the individual and we encourage inmates to participate.

Religious courses are provided by the Chaplaincy for Christians, Buddhists, Muslims, Jewish and other religious groups and distributed on request as they are donated. Contact information is also provided.

- D. **RELIGIOUS DIETS:** The **Leon County Detention Facility Food Services does not serve pork products.** There are three basic diets available that substantially meet religious diet requirements: **regular tray, vegan tray, and Kosher tray.** Request can be made directly to the Case Management Unit for either of these, however a change is considered permanent.
- E. **FUNERALS:** In the event an inmate experiences a death in the family the Chaplain will be available for counseling and ministering in this time of need. If the Chaplain is not in the facility, his designee, or an officer will notify the inmate and assist until the Chaplain returns. **To get released or furloughed for the funeral an order must come from a Judge.** This request should be handled by the inmate’s defense attorney if possible. Most Judges require

that the death be in the immediate family (father, mother, sister or brother), and the funeral be in the State of Florida for ROR. However, each case is different, and the types of charges, sentence time remaining, etc. are factors.

- F. **SPECIAL PROGRAMS:** From time to time during the year there will be special events such as Christmas programs, guest preachers, video programs, advanced religious study programs etc. for the inmates.
- G. **SPECIAL VISITS:** Inmates may receive visits from their pastors, priest or Religious Leader. Clergy should contact the Chaplain to be approved. Clergy should be ready if asked to provide documentation of License or Ordination by a bonafide Religious Organization.
- H. **SPECIAL CALLS:** The Chaplain does not grant phone calls outside the Pod except in a verified emergency.

5. Newspapers will be distributed daily. **Do not take newspapers into your room.** Newspapers found in rooms will be considered contraband and seized.

Inmate Legal Materials

It is the policy of the Leon County Sheriff's Office to provide inmates who are not represented by an attorney access to legal materials to aid in their defense. This is accomplished through the paralegal who is assigned to the Detention Facility. Inmates who are represented by an attorney shall not be provided legal materials by the paralegal. Such materials may be provided to the inmate by the inmate's attorney.

In order for an inmate to receive legal materials the inmate must first know what materials to request. If the inmate already knows the specific legal materials that the inmate desires, the inmate may make the request to the paralegal naming the specific materials. If the inmate cannot name specific legal materials, the inmate may utilize the Lexis Nexis software program to research exactly what legal material the inmate desires. Once the inmate has identified the specific legal materials utilizing the Lexis Nexis Software program, the inmate may then make the request to the paralegal.

The following criteria shall be utilized by the paralegal to determine which inmate requests will receive legal materials.

- Only inmates who are pro se (one who represents oneself in a court proceeding without the assistance of a lawyer) will have access to conduct legal research utilizing the Lexis Nexis Software program. If an inmate has multiple charges,

and the inmate is pro se on some of the charges and is represented by an attorney on others, the inmate may conduct legal research only on the charges for which the inmate is pro se.

- Inmates will utilize the “Note from Prisoner” form to request access to legal research (Lexis Nexis Software program). Inmates must indicate on the form the case number(s) for which they are pro se. Inmates will be allowed no more than three (3) hours per week to conduct legal research. Unused time will not be credited for future use.
- Only inmates who are pro se (one who represents oneself in a court proceeding without the assistance of a lawyer) will receive requested legal materials. If an inmate has multiple charges, and the inmate is pro se on some of the charges and is being represented by an attorney on others, the inmate may receive legal materials only on the charges for which the inmate is pro se.
- Pro se inmates are entitled to request and receive legal materials that pertain to their pending criminal case, including post-conviction appeals.
- Pro se inmates are entitled to request and receive legal materials that pertain to their verifiable pending civil cases and immigration proceedings.
- Inmates will utilize the “Inmate Legal Request Form” to request legal materials. Inmates will be allowed no more than fifty (50) printed pages of legal material each week.
- Only requests for specific legal materials will be provided by the paralegal. The paralegal shall not provide legal research and/or legal opinions to any inmate.
- Inmates will be allowed a reasonable amount of printed legal material while using the Lexis Nexis software during their allotted three (3) hour legal research period each week.

Additional procedures relating to inmate legal materials may be found in the Inmate Handbook.

This information will be added to your file and appropriately addressed by the Medical Unit.

MEDICAL GRIEVANCE PROCEDURES

Inmates incarcerated at the Leon County Detention Facility will be afforded the opportunity to grieve medical care provided by Corizon. A medical grievance can be

described as a problem that an inmate has, related to the medical department, and have been unable to resolve through proper channels.

Some examples of appropriate grievances:

- They told me I would be seen by an orthopedic specialist for the strained tendon in my hand in six weeks. It is now two months - am I going to be seen?
- I have not received the medication the doctor told me I would start for my ear infection.
- I received medication last night and I am not supposed to be on any medication.

The following examples are **NOT** grievances. They should be written on a Corizon Inmate Medical Request Form:

- Questions about sick call charges
- Questions about trustee status
- Asking for lab/x-ray results
- Any initial medical request asking to see a doctor
- Asking for a sick call re-check.

A “sick call request” should be answered within the next **72 hours**. A “grievance” should be answered within **10 days** of receipt. Please make sure you submit the correct form for your medical issue to avoid unnecessary delays.

Any inmate can grieve medical treatment by filling out a Corizon Medical Grievance Form, located in their assigned housing area. Inmates will submit the Grievance Form to the Corizon, Health Services Administrator.

A written response will be returned to the grieving inmate within ten (10) days after date of receipt of the complaint.

If the grievance is not resolved to the inmate’s satisfaction, the inmate can request an appeal of the response to the original grievance. The appeal along with the original grievance will be forwarded to the Medical Review Committee. A response to the inmate’s appeal will be forwarded to the inmate within fourteen (14) days from date of receipt of the appeal.

Medical issues, requests, complaints and grievances must be submitted using a Corizon Medical Sick Call Request or Grievance Form so your issue can be addressed by Medical Authority.

MEDICAL GRIEVANCE REVIEW

Purpose: The purpose of the Medical Grievance Review Committee is to address chronic complaints from inmates who wish to express concerns about their medical

care. Through this process, inmates can express their problems and have resolution to those problems.

General Guidelines: Inmates who have written three (3) or more valid grievances to Prison Health Services Medical about the same medical issue, and feel that their complaint has not been resolved satisfactorily, will be referred to the Medical Grievance Review Committee for immediate resolution.

Once the Committee has set a date and time for review of the inmate's Grievance or chronic complaint, the inmate shall be given written notification twenty four hours (24) prior to the hearing. Inmates may bring documentation to support their claim. The inmate will be able to ask questions relating to his/her complaint or grievance. After the inmate has made his /her presentation, they will be excused from the room, if necessary, for deliberation by the committee. A determination will be made by the committee if the complaint or grievance is a **valid** medical issue. If the inmate's complaint is determined to be "**not a valid medical issue**", the complaint will be referred to the proper Bureau within the Detention Facility for review and resolution of non-medical issues/complaints if warranted.

If the inmate's complaint or grievance is determined to be "valid" by the committee, recommendations will be made by the Corizon Medical Chief, consulting with the Health Services Administrator for Corizon for resolution of the inmate complaint.

The inmate will be brought back into the room and be given a verbal report of the Committee's findings. The inmate will sign a Committee Review Attendance sheet, showing the date and time the hearing was held, and acknowledging that he /she will

receive written notification of the Committee's findings and recommendations within forty eight (48) hours after the hearing.

The Medical Grievance Review Committee will be staffed by representatives from Corizon Medical Staff and Detention Facility Security Staff. A copy of the final findings of the committee will be distributed to the Health Service Administrator for appropriate record keeping.

PROGRAMS

Our hope at the Leon County Detention Facility is to reduce recidivism by giving the inmates the necessary tools to achieve attainable goals in today's society. For that reason, Leon County Detention Facility offers educational and self-help programs to assist the inmate population with gaining control of their lives and encourage behavioral change through education. Although participation in these programs aren't mandatory, unless court-ordered, the programs section highly recommend that inmates partake in the courses provided at the detention facility.
