## LCSO Deputies Arrest One in Armed Burglary Investigation

On December 7, 2020, Leon County Sheriff's Office deputies responded to a residential area in the 8100 block of Ida Road in reference to a theft. Upon arrival, deputies learned the victim returned home from work to find his back door was unlocked. The victim locked the doors to the residence when he left for work because he saw his roommate had been arrested. After further inspection, the victim noticed things in the residence were out of place and two long rifles and a compound bow were missing. The victim later learned a witness saw 25-year-old Christopher White arrive at the residence earlier in the day while driving an older model white truck. The witness saw White enter the residence.

Through investigative means, deputies learned of a possible location for White. Deputies responded to the location and found a truck that matched the witness' description, and confirmed White was inside. Deputies also learned White borrowed the truck from an acquaintance earlier in the day and returned with a rifle and a bow. Deputies later recovered a stolen rifle, a bow, and ammunition inside the location.

White later told deputies he took the stolen rifle and bow from his friend's roommate's house for hunting purposes.

Deputies confirmed White had several outstanding arrest warrants.

White was arrested and transported to the Leon County Detention Facility.
