## LCSO Detectives Arrest Man in Homicide

On Saturday, March 21, 2020, around 4:08 PM, the Leon County Sheriff's Office was called to the intersection of West Tennessee Street and Barineau Road in western Leon County in reference to a male that had been shot.

Once on scene, deputies located the male victim shot multiple times. The victim, identified as 40-year-old Grosbin Juarez Castro, was transported from the scene by EMS to a local hospital and eventually died from his injuries. Deputies on scene gathered information and a description of the suspect. A subject matching the description, later determined to be 35-year-old Jonathan Andrews, was located at a nearby mobile home park. Violent Crimes detectives responded and learned Castro and Andrews were passengers in the same car when they began to argue about Castro owing Andrews money. The driver of the vehicle, who had agreed to escort the two around to collect the owed monies, pulled off the roadway and told the two to get out of the vehicle once the argument became physical. Once they exited, Andrews shot Castro multiple times with a handgun. Through investigative means, Andrews was positively identified as the shooter.

Detectives located and seized several .40 caliber ammunition casings on scene. The handgun used by Andrews was not located.

Andrews was found to be in possession of crack cocaine at the time of his arrest. He was transported to the Leon County Detention Facility.
