## Vehicle Crash on Moccasin Gap Road Results in Two Fatalities

Last night at approximately 9:30 p.m. deputies responded to a vehicle crash at Moccasin Gap Rd and Manpeter Place. When deputies and first responders arrived on scene they found two subjects deceased in one vehicle, and a third subject injured in a second vehicle.

Based upon the preliminary investigation Donovan Jamal Sailor, 18, was driving a blue Honda Civic south on Moccasin Gap Road. Also in the vehicle was Brandy Sue Jackson, 18. A second vehicle was traveling north on Moccasin Gap Road. It appears Sailor lost control while negotiating a curve and his vehicle began to slide sideways. The vehicle subsequently entered the northbound lane and was struck in the passenger side by the northbound vehicle. Both Sailor and Jackson were pronounced deceased on scene.

The driver of the second vehicle was transported to Capital Regional Medical Center and treated and released. At this time, it appears, excessive speed played a factor in this crash.
