Joint Effort Leads to Stolen Firearm and Vehicles

On September 8, 2021, Tallahassee-Leon County Auto Crimes Task Force located video footage in an effort to identify individuals involved in recent auto burglaries. In the video, four juveniles were seen breaking into a vehicle and removing a firearm. Two of the juveniles fired the gun into the air multiple times. Detectives were able to identify one of the suspects, 18-year-old Terry Sullivan, who later admitted to stealing a vehicle and an iPad. Through further investigation, detectives learned that 17-year-old Jamie White fired the handgun and was in possession of another stolen vehicle. White was later found to be hiding a different firearm under his bed.

Detectives identified the other shooter as 17-year-old Jaekwon Murray. Murray was later discovered to be in possession of a key fob which is associated with another stolen vehicle. On Friday, September 10, LCSO and TPD patrol units located that stolen vehicle, which matched the key fob, and found two additional stolen vehicles.

On Monday September 13, detectives made contact with the fourth suspect, identified as 17-year-old Tariq Johnson. Johnson confessed to multiple vehicle thefts and told detectives he was the person who removed the firearm from the vehicle and passed it to White. All four individuals were arrested and charged accordingly. This investigation is currently ongoing.
